**ORDER**

January 23, 2017

Saris, C.J.

Allco's motion for reconsideration of the Court's order on summary judgment (Docket No. 78) is **DENIED**. Section 210(g)(2) of PURPA lays out the enforcement process by "[a]ny person" against an electric utility to "enforce any requirement" established by a state regulatory authority. 16 U.S.C. § 824a-3(g)(2). There is no federal statutory provision providing a private cause of action for damages against the utility independent of the PURPA

enforcement scheme. Section 210(h)(1) applies only to Commission enforcement. Id. § 824a-3(h)(1).

Parties shall file proposed form of judgment by 2/6/2017.
